## **Town Roads**

Truck is back and runs good. Still doesn't seem to have power.

Discussed Dudley Hill and has anything been started. Have not heard anything from Jacobson.

Steve and Kevin from Scott's looked at all the roads and conditions they are in. The report was presented to the board of the roads needing the most attention. It was discussed to change Stellner Ln to seal coat 1300' this year, gravel the remainder and do remaining next year. There would need to be a new culvert put on Dudley Hill before it can be seal coated.

Keith received a call from a tax payer about the road condition on Wolfe Ln after it was graded. They said it was left very rough and unfinished. Steve to check on it in the morning and see what needs to be done to correct.

## **Minutes:**

Motion made and seconded by Keith/Lorn to accept minutes with changes to roads to be seal coated per Scott's road report on conditions. Motion carried

## **Treasurer's Report:**

Motion made and seconded by Keith/Lorn to approve the treasurers report. Motion carried.
